Hi Apurva

Regarding Juspay support we will be able to offer below features even if Juspay is in place

- Payment gateway with all payment mode support (CC, DC, NB, UPI, BNPL, EMI , cardless EMI etc.)
- Subscriptions (UPI autopay, E-nach, SI on cards)
- Block n Pay (UPI), Auth n Capture (cards)
- Data Innovations (Data Intelligence)
- WhatsApp commerce
- **Express pay-** We can explore this with PayU Product solutioning team , here you might need to build your own check out page

Thanks & Regards,

Himanshu Awasthi
